FROM OUR PASTOR

Dear Bethany Family,

Jean and I are looking forward to a getaway to Myrtle Beach the first weekend of May. I have a wedding on the beach to preside on May 2nd – a wedding that was scheduled for last year but Covid postponed that event. We Will travel home on May 3rd. Bethany will have Rev. Bob Mease as your guest on that Sunday. Please

extend a good Bethany welcome!

The Bach Choir is VERY appreciative of the use of our facilities for rehearsals in preparation of the Virtual Festival Weekend (May 14 & 15). Check out the website to tune into those concerts.

Jean and I are very excited to become parents to a goldendoodle puppy that we will pick up and bring home on May 15th. Pray for us! Some day we will introduce you to our family addition.

Pentecost is Sunday, May 23rd. We celebrate that day as the birthday of the Christian Church with the gift of god's Holy Spirit. It is that same Spirit that blesses and nurtures all Christian Communities, including Bethany. Be sure to attend worship that Sunday as we receive Holy Communion.

We look forward to larger gatherings as more receive vaccinations and as we all enjoy the beauty of God's creation.

See you at Bethany!

Pastor Todd

A note from our Music Director:

Music is permeating throughout the walls of Bethany. The Philadelphia Brass Ensemble rehearsed in

Fellowship Hall on Mon. April 5th. The Bach Choir continues to rehearse in Bethany's sanctuary in small groups for their performance in May. It entails 72 hours of rehearsal time, most of it occurring between the hours of 4 and 8 pm. I

sincerely hope that all who enter during those times appreciate the beautiful stained-glass windows that seem to captivate the emotions and soul of the viewer. I have been graced by their beauty for 48 years and gazing at them never grows old ... especially as the daylight starts to fade.

Our sanctuary walls also receive the sounds of Handbells and Choir Chimes ... the music of woodwinds and brass, piano, organ, stringed instruments, percussion instruments and the joyful (but slightly muffled) singing of the congregation during responses and hymns. "Oh, if these walls could talk" (as the saying goes) they would speak of a congregation that glorifies god through music and appreciates that gift as part of His wonderful creation, as well as a form of worship.

There will be more special musical offerings during the month of May in addition to our Handbell Choir which will play on Sunday May 9, and May 16. Rehearsals will take place Wed. evenings at 5:30PM. Always know that anyone who wishes to share their musical talent during our worship services is gladly welcome to do so.

Joyfully,
Susan Denninger Wright

P.S. On a personal note, I want to thank the congregation of Bethany for their incredibly generous donation of \$1,432.68 to the Alzheimer's Disease Research Matching Gift Fund drive. It exceeded our largest gift received by over \$200.00. Research is making a difference ... for all of us. You are awesome!

THANKS FOR GIVING

April 17 Spring Conference meeting report from Matt Miller

I was blessed with the opportunity to be a delegate at the PNEC Spring Conference meeting.

There was a lot of activity and collaboration that took place in 2020, despite the impact of the pandemic on those very efforts. Much of it was contained in the minutes, but it was abundantly clear that there has been a concentrated outreach focus.

Some of the activities included.

- Designing and implementing workshops to support lay leadership, particularly in circumstances where congregations are being served by bi-vocational or part-time ministers. This an area that has been growing in scale and importance in the last decade or more
- Resource congregations to help them increase their focus on their external missions. I know this has been an ongoing talking point for us at Bethany.
- Last year as part of an effort to research best practices within the UCC community Sandra Strauss to take a sabbatical to about ecumenical, interfaith and advocacy work being done in other states. Although many of the visits were zone via Zoom, there were opportunities to meet councils of churches and ecumenical committees in-person in 5 states as well.
 - Some fine work is being done in this space by The Arizona Faith Network, and there will be opportunities for me to look at the link that was provided to take a deeper dive.

In sum, there are resources that we can and should tap into over the next year in our own ongoing quest to support our mission as a church.

For me the highlight of the day was the time spent listening to the keynote speaker, Robert P. Jones.

Robert P. Jones is the CEO and Founder of the Public Religion Research Institute, and the author of *White Too Long: The legacy of white supremacy in American Christianity*. The timeliness of this conversation couldn't be more impactful no matter where you stand on this issue.

My favorite quote from this talk was "not everything that faced can be changed, but NOTHING can change until it is faced."

The reality is that as Christians over the last 10 years by PRRI and the Brookings institution's studies and research enumerates a chasm in the worldview of Christians on issues, both profound, personal and topical. No more so than in relations on race. I was brought up in a comfortable and insular world with very little impact from those of other races, ethnicities and spiritual theologies.

My professional life resulted in some of that insulation to be removed, and I was all the better for it.

I believe our role ought to be a facilitator if not a role model for that change. We must start that process by committing to the truth and loving our neighbors no matter their race, color creed.

I remember back in 1994 when the company and industry I was working in had some hard truths to face in our role as a community newspaper an aphorism that I took from those efforts that would apply today

Life is change, growth is optional, CHOOSE wisely.

Thank you again for allowing me to represent you as a delegate for Bethany at the PNEC Spring Conference.

Dear Friend in Christ:

Please join us in common mission, vision, and purpose by taking up the Strengthen the Church offering on May 23, 2021.

I pray that you and your family are doing well. Your support of Strengthen the Church was so important last year as many of our congregations sought new practices and ways of being church. As we continue to move through the effects of the pandemic, your generosity will help us continue to plant new churches, awaken new ideas in existing churches and develop the spiritual life in our youth and young adults.

Through your gift, we offer extravagant welcome, support local church outreach, and build up the body of Christ. Because of you, we renew and grow stronger. Strengthen the Church supports churches in visioning the future. We hope that you will join us in taking the offering on Pentecost Sunday. Strengthen the Church donations will help the United Church of Christ continue as a Spirit-inspired and world-changing Christian movement. We will continue to benefit from best practices, insights, and innovations across the life of the UCC. Please continue to help the UCC expand its light by taking up the Strengthen the Church offering on May 23, 2021!

FUNDRAISERS -

The article below has appeared in many Beelines and Bulletins here at Bethany. We have run this fundraiser for a long time. I fear we may need to discontinue this after June. We are no longer able to count on enough workers showing up to work and we have also lost orders due to changes in how some businesses are now run. People are busy and some are no longer with us anymore but we are only asking for 4-5 hours on a Saturday and maybe a little longer on a Monday. Also, it's only once a month. Please consider making this a regular commitment. Let me know your thoughts so we can decide how to proceed. Debbie

Bethany Needs Your Help

Don't forget to sign up in the Narthex to participate in Spring Cleaning Bethany. There are many projects with multiple skill sets needed.

We need everyone to pitch in and help take care of our church home.

If you see something that needs to be done, do it. Or bring it to the attention of someone who can address the concern.

Please look into your heart and help your church in its time of need. If you have any questions on where to find supplies or further instructions, please ask either a consistory member or a member of the property committee.

Thank you, Your church

Joyful Noise to Benefit Tunnels to Towers

The Tunnel to Towers Foundation honors the sacrifice of firefighter Stephen Siller who laid down his life to save others on September 11, 2001.

We also honor our military and first responders who continue to make the supreme sacrifice of life and limb for our country. On September 11, 2001, Stephen, who was assigned to Brooklyn's Squad 1, had just finished his shift and was on his way to play golf with his brothers when he got word over his scanner of a plane hitting the North Tower of the World Trade Center. Upon hearing the news, Stephen called his wife Sally and asked her to tell his brothers he would catch up with them later. He returned to Squad 1 to get his gear. Stephen drove his truck to the entrance of the Brooklyn Battery Tunnel, but it had already been closed for security purposes. Determined to carry out his duty, he strapped 60 lbs. of gear to his back, and raced on foot through the tunnel to the Twin Towers, where he gave up his life while saving others. Stephen had everything to live for; a great wife, five wonderful children, a devoted extended family, and friends. Stephen's parents were lay Franciscans and he grew up under the guiding philosophy of St. Francis of Assisi, whose encouraging and inspirational phrase "while we have time, let us do good" were words that Stephen lived by. Stephen's life and heroic death serve as a reminder to us all to live life to the fullest and to spend our time here on earth doing good – this is his legacy.

Let us be thankful for the wonderful woman who became our Mother. She taught us how to laugh at ourselves, persevere, show kindness and love to others. She also taught us patience and humility. She made sure we got to God's house to hear his word and made sure they became part of our everyday life. Honor thy Mother

Memorial Day is a Federal holiday. It is a time when we should set aside time to honor the fallen men and women who served this country in time of war and peace.

All gave some, some gave all. Let's not forget.
